

**Welcome to our online worship 29th March
recorded from St Mary's Newick**

Sadly, after this week's announcements, we have been instructed to close our churches to private as well as public prayer. However on Thursday we were encouraged by the Bishops, to use our time of daily exercise to check up on our church buildings, so armed with gloves and sanitiser I did just that. Whilst making use of this precious time, I thought why don't I record our Sunday Service, so there we are then, or should that be here we are then? Either way have a blessed Sunday, stay safe and much love and continued prayers to you all.

We would love you to join us this morning for our service of worship and you can follow the video with the service sheet provided below. The suggested time to watch together is 10.30am this morning however please feel free to join in if there is a more appropriate time for you. The service will also be available on St Mary's Newick Facebook Page

Service and links are as follows or you can download the film version and printable copies of service and sermon and at the bottom of this page
