

1.5 billion people are still waiting for the Bible in the language that speaks to them best.

To meet this challenge Wycliffe Bible Translators has the vision for “everyone to hear God speaking to them as they engage with the Bible in their own language”.

St Mary's has had the privilege of a 45 year link with one of the Wycliffe translators, Dr Katy Barnwell, who has dedicated her life to bringing this vision into reality, mostly in Nigeria.

St Marks Gillingham recently interviewed this amazing servant of God about her work <https://www.facebook.com/stmarksgillingham/videos/355779968731001>

Prayer is of the utmost importance to this work and Katy issues a monthly prayer letter.
