INSCRIPTIONS. Incumbents should require an accurate design of the proposed inscription before approving an application. Photographs or representations of objects or motifs such as a child's toy are not permitted nor the use of 'pet names'. Bronze or ceramic inserts are not to be used. Badges, crests or emblems may be used provided they are seemly and appropriate for the deceased. Any representation will need to be designed so that it may be accurately cut by a skilled craftsman. Masons' or carpenters' names, signs or marks may be inscribed on any monument provided their position and appearance are unobtrusive having regard to the monument as a whole.

HORIZONTAL LEDGERS. Either flush with the turf or raised not more than 9in (225mm) above a base, extending not less than 3in (75mm) all round and itself flush with the turf; inclusive measurements not more than 7ft (2100mm) by 3ft (900mm).

CROSSES. An incumbent may NOT consent to the introduction of a cross, for crosses have been too freely used in burial grounds in the past. Such monuments require a high standard of design. However, the incumbent may authorise the temporary introduction of a simple wooden cross to mark a recent burial. A brass plaque bearing the name and dates of the deceased may be affixed to the cross. Such cross must be removed upon the erection of a stone memorial or after a period of 18 months, whichever be the sooner.

PROHIBITIONS. For the avoidance of doubt, the following are not permitted:

Kerbs, railing, fencing or chippings

Memorials in the shape of vases, hearts, open books

Memorials incorporating photographs or portraits

Mementoes, windmills, toys or little animals

The use of 'pet names'
