

Hello!

I'm SO very excited about Owls Club restarting this Sunday! We are doing about David and Goliath and making marshmallow slings out of toilet rolls!!! There are still 3 places left at the time of writing this. Sign-up is now via Calendly:

<https://calendly.com/stmarysnewick/owls-club>.

The last Owls Club was in February and it has been SO sad not to be able to meet up each month, particularly as 2019 had Owls starting in February and then running for a year without a break! We are trying to do EVERYTHING we can to make it safe from Covid and this has meant a few changes, including no more lovey snacks in Church (boohoo!) nor parents/carers staying in the Barn Centre but AT LEAST Owls is back up and running! Praise the Lord!

To avoid paper transference and to ensure all details are up to date, would you please fill in the online registration form via Eventbrite. You don't need to fill this in every month but it just allows me to have your details available. There is also a box to tick that you have read the Covid disclaimer, attached to this email. This will also be added to Newick Church Website, along with the Covid Risk Assessment.

Registration Form: <https://www.eventbrite.co.uk/e/owls-club-at-the-barn-centre-newick-registration-form-registration-121337167735>

I'm sorry to burden you with admin and I also hope the Eventbrite form is working ok, as I'm no expert! Let me know if it's not working!

Looking forward to seeing some of you on Sunday! Please pray for Owls and the leaders!

Take care,
Ali xxx
