Advent Calendars

Thanks to the generosity of the congregation to raise funds for the purchase of

the Nativity booklets for Owls, there was enough spare to order them each a Nativity Advent Calendar!

Behind each window, the Gospel is revealed in child-friendly, modern language that will appeal to Churched and non-Churched readers.

These will be distributed next week. Thank you, Newick congregation! Your gifts are bringing the gospel into homes.

CHURCH PORCH NATIVITY SCENE

Rebecca Prinsloo (she did these lovely silhouettes) and I are decorating the Church Porch with the Nativity scene in December. Given how amazing the Owls Birthday cards have been, there is obviously a wealth of artistic talent out there. If you would like to contribute a hand-crafted character from the Nativity scene, get creative and drop off at the Church Office by Tuesday 8th December. All work will be laminated to protect from damp.

Owls club have their own photo gallery on the website click [here](#) to view it.
