

# Youth News

This has been one of the most challenging, creative and innovative years that I have ever experienced and with a mixture of face to face and virtual clubs, teamed with the hand-delivery of Easter, Hallelujah and Christmas packs, and with God's abundant blessings, we have grown as a group and now have 28 children registered!

Special thanks to Issie, Patsy, Rebecca Prinsloo and Lulu and to Rebecca Hume for being so faithful and tireless in their enthusiasm, love and commitment to Owls. And thank you to all those who continue to pray for Owls, and who donate gifts and resources to keep the Children's ministry alive and growing. The Owls birthday cards are truly lovely! Thank you also to Sylvia and Dorothy who made the beautiful crafts which delighted the Owls in their Christmas packs. Thank you also to Jackie who has tirelessly helped support Owls Club through the website and magazine.

I would also like to thank Caroline in the office for all her support and for putting up all my last minute offerings with such grace and creativity!

Owls Club send everyone a 'Merry Christmas and a hootingly awesome New Year!'. Xxx

Owls club have their own photo gallery on the website click [here](#) to view it
