### Easter is coming!

The Meaningful Chocolate Company produces Easter eggs which are Fairtrade, palm free, plastic free and come with a Christian booklet. You can also buy one to donate to the Russell Trust Foodbanks around the UK to spread the love of Jesus beyond our immediate community. Their website link is [here](#) for anybody who is interested in purchasing one for friends or family this Easter or would like to donate one to a Foodbank.

As the supermarkets have NOT agreed to stock their eggs this year, they are dependent on online purchasing in 2021.

# EASTER PACKS 2021 FOR OWLS

Hello, everyone! I cannot believe that it is coming up to a year now that we made up our first set of packs for the children. 50 were made and distributed to the children who were signed up to the Easter holiday club, One Wonderful World, which had to be cancelled like most events in 2020! Since the making and delivery of those packs, there have been Owls Sunday packs, Hallelujah packs, Advent packs, Christmas packs, Toddler packs and now back to Easter packs! This year we are making 30 packs up for the Little Owls to be made up on 24<sup>th</sup>/25<sup>th</sup> March and delivered the following week. I am wondering if this will be the last set of packs?!

Would you like to be involved in equipping the packs? I have so far got Easter eggs and a Christian booklet, cross shaped keyrings and have a promised donation of animal pencils and erasers. Baker Ross has some great bits in their clearance sale: [click here for their website](#)

Other good sources are Poundland, the Works online click [here](#), also Amazon or EBay online. Any new crafty bits would be appreciated and this is your chance to get involved if you want!

I try to avoid too much plastic, preferring paper, materials or wood as crafts.

Please drop off any bits to the Vicarage at 36a Allington Road, or give to Rebecca Hume, Issie Baty, Patsy Bailey or email me and I will collect from you.

# A Massive Thank you from Ali!

The huge amount of money raised in the recent Youth Appeal will be invaluable in continuing to sow the seeds of faith in Christ Jesus and in reconnecting families with Newick Church this year. Such a tough time for families but the financial giving at this time reaffirms to them the love of this Church Family towards the young people in this area. Thank you again
